

My name is Olga Whittall and I am a bullmastiffs breeder at “Ridgetop Bullmastiffs” kennel. I bred and own the currently #1 bullmastiff in the USA: GCH Ridgetop’s From Russia With Love (JIN)

( breed stats: <http://www.caninechronicle.com/Statistics> )

I honestly believe that feeding the dogs raw diet is the best you can do for them! Competing in the conformation shows, my dogs have to stay in the perfect shape at all times. To have a healthy dog in a great shape, raw food is the way to go. Jerry Briffa at Tefco has the best quality and most affordable raw meats! Jerry is so patient, trustworthy and a pleasure to do business with!!! He sure does everything to meet client needs!! Whether you have 1 dog or 10, Jerry will make it possible for you to feed your dog’s nutritionally balanced raw food. I highly recommend TEFCO as the top raw good distributor!!
