

The Central Florida Raw Food Co-op was established with a working relationship with Jerry Briffa, Tefco, in June of 2006. We order and distribute over ten thousand pounds of product monthly throughout the state of Florida. During this thirteen years our membership has grown to over 780 members!

Before we decided upon Tefco as our vendor we kissed a lot of frogs. We tried ALL the green tripe we could order or find at the specialty stores. All more expensive but far inferior in quality to the product from Tefco. Working with Jerry is a true joy. His knowledge is far reaching and so valuable to those of us who demand accountability. Jerry is a true gentleman, retired NYC Police Officer, man of God, and to many of us, a true friend. All this because we Florida pet people required an honest vendor to provide quality beef products to our animals.

The Central Florida Raw Food Co-op proudly recommends Jerry Briffa and Tefco products, without reservation. IF there is a challenge, Jerry resolves it, immediately. IF there is a question, Jerry is there for our members and welcomes phone calls. Our co-op is thankful and appreciative we found Jerry Briffa, do yourself and your pets a great change in your lives...try our product, you will be thankful you did.

Sincerely,
